

Shank with snap ring, Hexagon shank: 6,3

Order data

Order number	675000 6,3
GTIN	4013288191489
Item class	63H

Description

Version:

Two-piece, i.e. shank and bit are separate. This means that in case of wear, only the relevant bit has to be replaced.

Adaptor to DIN 7427 B with snap ring.

- **Holder for C 6.3 and E 6.3 bits.**
- **The sleeve clicks into the open position. It locks automatically when a bit is inserted.**
- **Even the smallest bits can be removed without problems, since the sleeve lifts the bit away from the magnet.**

Quick change of bits, always one-handed.

Note:

Rapidaptor free-running coupling shank available from our eShop (No. 675035 size 6.3F).

overall length: 57 mm

Hexagon drive: D 6.3 (1/4 inch)

Machine drive: E 6.3 (1/4 inch)
