

Shank with magnet / quick-change coupling, Hexagon shank: 6,3

Order data

Order number	675020 6,3
GTIN	4013288174604
Item class	63H

Description

Version:

Two-piece, i.e. shank and bit are separate. This means that in case of wear, only the relevant bit has to be replaced.

“**Rapidaptor**” adaptor with automatic **quick-release adaptor** and magnet for C 6.3 and E 6.3 bits (the magnet holds the screw).

- **Holder for C 6.3 and E 6.3 bits.**
 - **The sleeve clicks into the open position. It locks automatically when a bit is inserted.**
 - **Even the smallest bits can be removed without problems, since the sleeve lifts the bit away from the magnet.**
- Quick change of bits, always one-handed.**

Note:

Rapidaptor free-running coupling shank available from our eShop (No. 675035 size 6.3F).

overall length: 75 mm

Hexagon drive: D 6.3 (1/4 inch)

Machine drive: E 6.3 (1/4 inch)

Technical description

Hexagon shank	6.3 mm
overall length	75 mm
Machine drive	E 6.3 (1/4 inch)
Hexagon drive	D 6.3 (1/4 inch)
suitable for machine	yes
