

PARAT 
X-ABS extra tall tool case with base shell, 2 tool boards and TSA locks, Type: 1

Order data

Order number	692671 1
GTIN	4006793001848
Item class	63X

Description
Version:

TSA locks: When travelling to the USA these locks can be opened for searching and relocked by the US "Transportation Security Administration" (TSA) using a master key. Forcible opening of the case (irreparably damaging the locks) for searching can thus be avoided.

X-ABS is extremely impact resistant, tough and thus **suitable for air travel**. The surface is scratch-resistant, **non-slip (rubberised effect)** and **does not damage surfaces**. Double aluminium frame with **integral toggle cylinder locks**, positioning hinges with stop, and base studs.

Internal fitments:

1 base shell with sub-divisions including tool board with 1 tool holder as a cover (No. 692750), 1 tool board with 2 tool holders (No. 692720), 1 board for documents, fixed to the cover.

Note:

Case available with other type of lock on request.

Characteristics case: suitable for air travel

Internal dimension length: 470 mm

Internal dimension width: 210 mm

Internal dimension height: 360 mm

Weight: 5.7 kg

Technical description
