

Garant**Service tool case with base shell and tool boards with removable wheels and push handle****Order data**

Order number	692835
GTIN	4045197806239
Item class	61G

Description**Version:**

The polycarbonate case shells are produced by injection moulding. The advantages of polycarbonate lie in its high impact toughness, strength, stiffness and hardness over a wide range of temperatures. Aluminium frame with plastic impact corners, integral combination lock and case lid positioning.

Internal fitments for internal height 185 mm:

1 base tray including cover board with 12 double elastic straps. 2 transverse dividers, 6 partitions and 10 inserted boxes in the base shell. 1 tool board with 9 textile shaft pockets and tool holder on the front and back. 1 tool board with 6 textile shaft pockets and tool holder on the front and back.

With **removable wheels and push handle**, 4-stage telescopic extension and ball bearing wheels. Foldable wheels and push handle with 3 additional storage compartments.

Characteristics case: suitable for air travel

Internal dimension length: 435 mm

Internal dimension width: 275 mm

Internal dimension height: 185 mm

Weight: 8.3 kg

Technical description

Weight	8.3 kg
Internal dimension width	275 mm
Internal dimension height	185 mm
Internal dimension length	435 mm
Material	PC
Type of tool storage	Shaft pockets
Type of tool storage	Clip holders
Case load capacity	35 kg
Characteristics case	suitable for air travel
Type of product	Tool transport system
