

Carbon fibre tweezers, flat, strong tips

Order data

Order number	727507
GTIN	7314150115143
Item class	73M

Description

Version:

Made of stainless non-magnetic acid-resistant steel. Carbon fibre tips, conductive non-magnetic acid-resistant and heat-resistant up to 270 °C.

electrical insulation: EGB/ESD

Length: 130 mm

Technical description

electrical insulation	EGB/ESD
Length	130 mm
Point form	flat blunt nose, straight
Tip characteristics	heat resistant up to 270 °C
Material of point	Carbon fibre
Material	non-magnetic acid-resistant steel, stainless
Tip exchangeable	yes
Type of product	Tweezers

Accessories

Spare straight tips 5 pieces	727517
