| Order number | 728627 7 |
| GTIN | 4011391203006 |
| Item class | 76C |

Description

Version:

Very sturdy, lightweight body made of glass fibre-reinforced plastic. The blades adjust automatically to the various cable diameters. The insulation is cut and removed in one operation.

Application:

For all commonly-used **sensor and actuator wires** with PUR or PVC external sheath, 3-core to 8-core cable, screened or unscreened (e.g. 3×0.34 mm² unscreened up to 8×0.25 mm² screened).

Manufacturer's type designation: Sensor special

overall length: 166 mm

for round cable Ø: 4.4 - 7 mm
