

Crimping pliers for Scotchlok™ connectors, for wire Ø: 0,4-1,1 mm

Order data

Order number	729390 0,4-1,1
GTIN	4003773028239
Item class	73F

Description

Version:

Body drop-forged. Jaws chemically blackened, head bright polished. With opening spring. Plastic coated handles.

Application:

For crimping plastic-insulated remote control cable cores or signal cable cores by the U-contact principle in Scotchlok™ individual connectors. No wire stripping, the U-elements make the contact.

overall length: 155 mm

for wire Ø: 0.4 - 1.1 mm
