

*intercable***Large compression pliers, Type: 120****Order data**

Order number	729970 120
GTIN	8014212199263
Item class	76C

**Description****Version:**

Sturdy head with compound action and integral rotatable form wheels. Tubular handles with plastic grips. Cross-section assignment visible on the form wheels.

With innovative i-crimping, suitable for multi-core compacted and fine stranded cables. I-crimping allows values far in excess of normal requirements to be achieved.

**Application:**

For non-insulated **tube type cable lugs** and **pipe connectors** (standard design).

**Note:**

Not suitable for DIN compression cable lugs or for French CNF cable lugs.

Crimping tools for DIN and French CNF cable lugs available on request.

for conductor cross-section: 10 - 120 mm<sup>2</sup>

Weight: 3.7 kg

overall length: 535 mm
