

Garant
Cable cutter with compound action, for cable Ø: 54 mm

Order data

Order number	731071 54
GTIN	4045197891211
Item class	71B

Description
Version:

Cutter head with sickle shaped blade and compound action (one handed operation). Double blades ensure square cut.

GARANT blades and important functional parts are additionally hardened and tempered.

Application:

For clean cutting of aluminium and copper cables (even flex cables). Not for use on steel wire, hard aluminium alloys, hard drawn copper conductors.

Material:

Special steel blade, coated sheet metal handles.

Note:

On single-core cables the cutting force is around 30 % less.

Cutting capacity multi-core cable up to: 480 mm²

Technical description

overall length	310 mm
for cable Ø	54 mm
Cutting capacity multi-core cable up to	480 mm ²
Handle	ergonomic plastic grips with anti-slip coating
Operation	mechanical, single-handed, ratchet principle
