

Pin punch with handle, Tip Ø: 2 mm

Order data

Order number	746940 2
GTIN	7610733254897
Item class	73B

Description

Version:

Sturdy octagonal shank with cylindrical shaft. Uniformly through hardened over the entire length. Head specially annealed to prevent splintering. Actual Ø 0.05 - 0.5 mm less than nominal Ø, prevents the pin punch jamming in the hole.

Material:

Special quality extra chrome vanadium steel (i.e. the highest possible peak hardness - approx. 59 HRC - combined with special toughness), chrome-plated. Hand grip with a non-allergenic elastomer coating.

Pin length: 47 mm

overall length: 140 mm
