

Garant

Soft-faced hammer with nylon inserts and aluminium central part, Hammer head Ø: 22 mm

Order data

Order number	754160 22
GTIN	4045197680457
Item class	71D

Description

Version:

Sturdy metal central piece with handle of hickory, with nylon handle protection sleeve and ring wedge. The nylon inserts are impact resistant and wear-resistant, and are attached to the central piece by a double action system.

Central piece of aluminium, black anodised.

Advantage:

Aluminium central piece = significant weight reduction. This permits precisely gauged working and also protects the wrist.

Application:

For straightening or aligning components on machine tables or for application of light impacts in assembly work.

Spare part:

Spare nylon insert available under No. 754180 and spare handle available under No. 751650.

Head length with inserts: 73 mm

Handle length: 280 mm

Weight: 0.147 kg
