Description

Version:

Robust, impact resistant handle of die-cast aluminium, powder-coated, with **3 special quality blades** (stored in the handle.)

With **multi-section adjustable** blade. Blade can be fully retracted into the handle (protection from injury).

Advantage:

Quick-change screw (button on No. 844845) allows blades to be changed **without using tools**. No irritating dropping the blade when changing it, since it is held by a magnet.
