

Three-leg extractor with pre-adjustable clamping range, Type: 3

Order data

Order number	880950 3
GTIN	4021176006876
Item class	83U

Description

Version:

Powerful extractor with high clamping force and excellent clamping. Using the adjustment wrench, the symmetrical clamping legs are easily set to the necessary spread. The part to be extracted is **positively gripped**, the **gripper jaws** cannot **jump or slip**.

For external extraction only.

Application:

For extracting tightly seized ball bearings, gear wheels, pulleys and similar parts.

External clamping range: 200 mm

Depth of reach up to: 165 mm

Power: 10 t
